RULES TO FOLLOW UNDER PENALTY OF EXPULSION BY THE POLICE SERVICE

Onsite camping is not officially permitted but “parking” is tolerated.

Be advised that you must strictly follow the rules below.

1. Quiet Rule: No loud noise tolerated after 8:00 pm until 7:00 am, including music.
2. Pouring of your grey and/or black water on the ground is strictly forbidden to protect ground water. Obviously, pouring of gas or oil on the ground is also forbidden.
3. No open fires are permitted.

If not obeyed, you will receive a personal visit from the Mont-Tremblant police officers who will order you to leave the facility immediately, without any prior notice and possibly with a fine.

CAMPING LOCATIONS

There will be two locations for camping: one for cargo/camper trailers and one for all other types of recreational vehicles or camping trailer.

CARGO / CAMPER trailers (Toy haulers)

A section next to the paddock will be available for cargo / camper trailers only.

NO OTHER TYPE OF RECREATIONAL VEHICLE OR CAMPING TRAILER WILL BE PERMITTED.

One of the reasons is that we only have space for 15 cargo / camper trailers in this section.

Also note that people with cargo / camper trailers will have to respect the paddock hours to work on their kart.

This means that it is forbidden to work on your kart between 8:00 pm and 7:00 am the morning.

Security service will enforce this rule and any violation is subject to penalty by the officials of the event.

RECREATIONAL VEHICLES AND CAMPING TRAILERS

A section will be arranged at the site entrance of the facility down the hill. This section is on grass with trees. This camping is located 300 m (1000 feet) from the paddock area.
