### **ASN National AutoSlalom Regulations**

**Effective: Immediate (May 15, 2017)**

#### **4.1.1.b**

Rationale: The wording of 4.1.1.b is changed since day licences are no longer used by ASN regions.

New wording:

- 4.1.1.b To enter a National AutoSlalom Championship event, residents of Canada must hold:
- i. An AutoSlalom licence, if their home ASN Region issues AutoSlalom licences, or
  - ii. An ASN affiliated club membership card, if their home ASN Region requires only club membership to be eligible for competition, or
  - iii. An SCCA membership card, if a resident of the USA (see 4.3).
