

## Canadian Karting Regulations BULLETIN 2017-03 Book 1 Sporting Regulations

**SUBJECT: Last Lap Signal**  
**EFFECTIVE DATE: May 18, 2017**

### Current Regulation

#### 9.6. Flags and Signals

Only the flags specified in these Regulations are to be used during competitions. Any other flag signals that may customarily be used locally are not to be used during ASN competitions.

The Starter shall display to the race leader a "Last Lap" board indicating the driver has started the last lap and it shall be displayed to each successive kart during that lap.

### New Regulation

#### 9.6. Flags and Signals

Only the flags specified in these Regulations are to be used during competitions. Any other flag signals that may customarily be used locally are not to be used during ASN competitions.

**As a courtesy**, the Starter **may** display to the race leader a "Last Lap" board indicating the driver has started the last lap and it **may** be displayed to each successive kart during that lap.
