December 19, 2018 Conference call

Members Present: Terry Epp – ASN, Dave Hull – ARMS, Richard Lestage – ASQ, Steven Day – CASCOR, Doug Campbell – WCMA, Mike Kaerne - CACC

Minutes from last call approved

The main topic for this call was the approval of the application for the 2019 Canadian AutoSlalom Championship

- Application submitted by the SASC
- Event location will be Fort MacLeod, about 1hr south of Calgary. The same location as the 2015 CAC.
- Date to be confirmed early in January. Organizing committee looking at a July/August date
- Application approved pending confirmation of the event date and venue.

2019 Rule sets:

- AutoSlalom – Dave Hull working on them, they will be ready to go as soon as we get the updated SCCA 2019 Solo Rules that we use.
- Time Attack – Doug Campbell working on those waiting on some clarifications from CASC-OR.
- Lapping – no changes
- Drifting – no changes

Frontal Head Restraints (FHR) in Time Attack - Research continues on this.

Electric Cars in SoloSport – For AutoSlalom, they are classed by the SCCA so no issue. For Lapping and Time Attack, we are looking to see if they are classed anywhere else. Research continues on this.

Next call is planned for January 16, 2019

Dave Hull
