National SoloSport Committee

January 16, 2019 Conference call

Members Present: Terry Epp – ASN, Dave Hull – ARMS, Richard Lestage – ASQ, Steven Day – CASCOR, Doug Campbell – WCMA, Paul Bonner - CACC, Mike Kaerne - CACC

Minutes from December approved. Notes from December call posted on ASN website. Committee members will post a link to these notes on their Regional Forums and Social media pages.

Terry welcomed to the committee, a new representative for CACC: Paul Bonner

2019 Canadian AutoSlalom Championship

- The Southern Alberta SoloSport Club has submitted a venue application to Ft MacLeod Airport for July 26-28
- Date should be confirmed in January
- Event location will be Fort MacLeod, about 1hr south of Calgary. The same location as the 2015 CAC.

2020 Canadian AutoSlalom Championship

- An application has been issued to the ARMS Region to host the 2020 event.

2019 Rule sets:

- AutoSlalom – Dave Hull working on them. Waiting on SCCA finalization.
- Time Attack – Doug Campbell working on those. Will include changes from OTA for 2019
- Lapping – no changes
- Drifting – no changes

Frontal Head Restraints (FHR) in Time Attack - Research continues on this. A problem was identified, that some vehicle models used in Time Attack have not been tested for roof strength, by either NHTSA or IIHS.

Electric Cars in SoloSport – The committee is working on the wording for adding a safety item to all SoloSport regulations. Terry will take this recommendation to the ASN Board in April.

Next call is planned for April, 2019

Doug Campbell
